

Safety Committee To Select New Chief Of Police; Council Adopts 1951 Budget, \$98,000

Borough council, at its regular March meeting in the council chambers of the fire engine house, Monday night, gave the safety committee the "green light" to "look around" for a new chief of police, and there was every indication that the man will not be a present member of the police department.

Council's action left it up to the safety committee to recommend a candidate for chief of police, whose name will be submitted to the borough council. If accepted by the council, the candidate, according to Borough Solicitor Eugene V. Bullett, will then be certified to the Civil Service commission, and a noncompetitive examination given.

The borough has been without a police chief since February 22, when Chief of Police Robert C. Harpster, who had been chief since November 1, 1945, resigned.

Need Experienced Man

The consensus of opinion at Monday night's meeting was that the new chief should be a man of training and experience.

Council adopted its 1951 budget, totaling \$98,000, and fixed the tax rate at 11 mills. A special tax of two mills for the sewer fund will be dropped this year, with the prospect that later in the year sewer assessments will be fixed.

In addition to salary increases granted at the February meeting, council voted Monday night to increase borough highway department employees five cents an hour, from 80 to 85 cents, and boost the foreman's salary from \$190 a month to \$200. The increases will become effective March 16.

Seek Parking Lot

The highway department employees were not given increases last month because their wages were raised in November. They submitted a petition to council Monday night asking for increased pay, to bring their wages more in line with what officials said is being paid in private industry.

The safety committee was authorized to negotiate with the G. C. Murphy company for a lease to the parking lot at the rear of Baltimore street off West Middle street, on the suggestion of Chairman Fred Hummelbaugh that the borough improve the lot and install parking meters on it. Attorney Bullett said the borough could not install meters unless it leased the land. Hummelbaugh said the meters would return increased revenue to the borough. There would be space for 28 meters, he said.

To provide fire protection for homes on Ridge avenue and vicinity, council authorized the Gettysburg Municipal Authority to construct a new six-inch water main through Howard and Princess streets to connect with the present line in Ridge avenue, rather than to tear up the latter street and extend the main.

Refund To Town

John Long, water authority superintendent, said the board must deposit approximately \$2,000, but would receive refunds totaling over \$1,400 as homes are erected along the streets. The cost would be approximately \$1,300 if a line is laid in Ridge avenue, none of which would revert to the borough, he said. The borough highway department will do the excavating and re-fill, and haul the pipe. The nearest fire hydrant serving Ridge avenue homes is 1,000 feet distant, Long said.

PAY PARKING FINES OF \$14

Burgess William G. Weaver reported to borough council Monday night that parking meter violation fines collected during February totaled \$114. Other receipts reported by the burgess were: Four building permits, \$48; two digging permits, \$65.52; one sewer permit, 75 cents; two theater assessments, \$638.13.

The four building permits reported construction whose cost was estimated at \$28,100, the report said.

Reporting as head of the police department, the burgess said: "By the use of one extra policeman, I have been able to operate the schedule in full force throughout the month. The officer assigned to meter duty has been relieved of all other duties except in an emergency."

Borough Treasurer John H. Basehore reported receipts for February of \$3,766.05; disbursements, \$11,853.46, and balance in the general fund on March 1, \$42,757.73.

Parking meters netted \$1,583.63 for February.

The special events division of WGET will re-broadcast this evening at 8 o'clock the talk given before the Gettysburg Lions club Monday evening by B. E. Irons, Boston nutritionist, on the subject "We Are What We Eat."

On Wednesday evening at 6:15 o'clock, WGET will present excerpts from the "Chimes of Normandy," opera to be presented March 15 by Biglerville high school students. At 8:30 p.m. Wednesday, the regular feature "Upper End Shopping News" will be presented and will include a number of upper countians.

ROTARY DENTAL PROGRAM CITED AT CLUB MEET

The method of operation of the dental program of the local Rotary club was outlined by President Kenneth Smoke at the regular meeting of the organization Monday evening at the YWCA.

Doctor Smoke said that a thorough survey had been made by the board of directors to determine how to most effectively utilize the money raised by a circus and rummage sale last fall. He said the program had two aspects.

"The first part of the program will provide up to \$100 between now and the end of the current school year for a dental education program to be carried out in the local public and parochial schools.

Plan Future Program

"This we hope will be but the beginning of a program of dental education to be carried out throughout the county in future years, but as a start we plan a program of education in the Gettysburg schools under guidance of the school nurse, Miss M. Kathryn Wagaman.

"The second phase will provide aid for children needing dental care. We had originally thought it might be possible to establish a room, possibly at the Warner hospital, equipped with dental equipment and have people go there. But it soon became obvious that such a project would cost between \$15,000 and \$16,000, an impossibility with the money raised.

"Investigation revealed that in many cases parents have sufficient resources to take care of their own children's dental care. At the other end of this scale there is aid given through public assistance for children's dental care.

Furnish Financial Aid

"Our wish is not to duplicate, but to provide financial aid where it is needed for dental care by children and which no other agency or individual can provide."

The work of the Rotary magazine, "The Rotarian," in furthering the fourth objective of Rotary, promotion of international understanding, was outlined by Ott Klein, Newton R. D. N. J., a member of the Rotary international magazine committee.

He told the group that "the sending of the magazine to non-Rotarians in other lands helps promote international understanding and good will is proven by the U. S. State Department asked permission to reprint four articles appearing in 'The Rotarian' and send hundreds of thousands of copies of the articles to persons overseas.

Elect Board Members

"We know from our own experience how valuable it can be. Each day the magazine committee receives letters from persons in other countries asking for copies of the publication and praising it for the articles on international understanding which it carries."

Following the report of the nominating committee, presented by Edmund W. Thomas, the following members were elected to the board: Dr. Kenneth Smoke, Dr. Bruce N. Wolff, Richard Dreas, Walter B. Lane, Dr. Milton Stokes and Dr. Granville Schultz. Forty-eight attended the meeting at which Dr. Smoke presided.

BURGESS ASKS FOUR NEW FIRE PLUGS IN TOWN

Burgess William G. Weaver submitted a recommendation for four new fire plugs, on Hillcrest place, West street and West High street, Hays street and Springs avenue, and Breckenridge and Franklin streets at Monday evening's meeting of town council in the engine house. The recommendation was referred to the safety committee.

"The Tiger" came in for its share of attention at the meeting. Borough Engineer LeRoy H. Winebrenner was authorized to repair the wall along the Mumper property east of North Washington street, when he reported that about 120 feet of the wall had bulged and was falling in. Council referred to the sewer committee a complaint from Clarence Claybaugh that the bank of the Tiger at the side of his property on West Middle street was caving in. The committee is to report at the next meeting.

Can't Find "Leak"

Several months ago the borough engineer plugged an outlet into the Tiger near North Stratton street, to prevent sewage flowing into the stream. Borough employees had been unable to locate the source of the sewage. Last week, according to Winebrenner, the rains built up so much pressure in this pipe that it "burst" and heaved the ground several feet behind the spot where the plug was put in. An accumulation of sewage as well as drainage water poured out.

Winebrenner was authorized to attempt to trace the pipe. It was suggested that he might put colored water in all the lavatories in the vicinity, or obtain permission from property owners to "sound" for the pipe by driving bars into the ground to trace its course. Council and the borough engineer want to know where the sewage and water comes from.

Lay Out New Ditch

Joseph E. Codori appeared before council to ask assistance in changing the course of a natural drainage ditch across his property on Barlow street. He said the present ditch interferes with the sale of the lots.

SEEK LEVY ON APPLE CROP

H. Earl Pitzer, Adams county's representative in the general assembly, and George Gooding, of York county, Monday night introduced into the state legislature a proposal to levy a one-cent bushel tax on Pennsylvania grown apples to promote the state's apple industry.

The bill was one which has had the approval of the state horticultural association and the Adams County Fruit Growers association. Franklin county fruit growers voted against the proposal.

Revenue from the proposed apple tax would go into a fund to finance research into new uses for apples and advertise and promote the Keystone state apple crop.

Board To Spend Fund

The fund would be administered by a seven member board named by the governor from the state's major apple growing areas. The first 500 bushels of each grower's crop will be exempt from the levy.

Similar proposals were defeated by the 1947 and 1949 sessions of the state legislature.

Several other states have similar taxing measures.

PLAN TO MARRY

Mother, 2 Children Perish In Horseback Ride In Storm

(By The Associated Press)

A new blizzard and cold wave knifed into the snow-plagued upper midwest region today leaving at least four victims frozen in western Canada and Montana.

The storm, accompanied by intense cold, scudded across western Canada and Montana and pushed into Wyoming and the Dakotas. Cold wave warnings were issued for Minnesota, Iowa, Nebraska and Kansas.

A mother and her two children perished during a horseback ride from their stalled car in the Montana blizzard. More than 35 passengers of three stalled buses were marooned overnight in 20 degree below zero cold in Alberta, Canada. In British Columbia, the frozen body of Mrs. A. Weisner, 40, was found a short distance from the spot she left a midnight bus during the storm.

The storm—third in the midwest in seven days—cut visibility to zero and sent the mercury skidding far below zero in Montana and North

Wounded 15 Times

Maj. Leonard Lowry, 31, of Dunkerton, Ia., received his 15th combat wound in recent action in Korea. Bleeding from wounds he led a bayonet charge against an enemy position on the central front. A descendant of America's once warlike Cherokee Indians, he collected a 14th cluster for his Purple Heart medal.

GHS ALUMNI PLAN FIFTIETH ANNIVERSARY

Tentative plans for the celebration of the 50th anniversary of the founding of the Gettysburg high school alumni association were discussed Monday evening at the first meeting of the committee in charge in the law offices of Attorney Eugene R. Hartman, chairman of the committee.

The anniversary will be observed at the annual May banquet of the association in May, 1952.

Suggestions for observation of the golden anniversary of the graduates' association included invitations to the founders of the association, to be guests of honor along with early teachers and principals of the local high school. Past presidents of the association will be honored and a feature of the anniversary night will be displays of old class pictures, athletics trophies and pictures of earlier years, old class pennants, textbooks and other mementos of the early days of the local high school which was located successively at High Street, Meade, Lincoln and the present high school buildings.

Plan Printed Program

In addition to reunion class greetings, the evening's program probably will include skits contrasting early school situations with those of the present.

The annual alumni dance will follow the banquet and program. Alumni in business in Gettysburg will be invited to arrange window displays appropriate to the anniversary celebration.

A special printed anniversary program is to be published for the celebration. It will include a condensed history of the alumni association to be written by J. M. Sheads, a member of the anniversary committee.

Chairman Hartman will present a report to the association on the tentative plans for the 1952 events and will call the anniversary committee together again in the fall to advance plans for the observance.

Committee members in attendance Monday evening included Chairman Hartman, J. Herbert Raymond, Miss Alice Williams, Mrs. C. T. Ziegler, Edward Beard and Hugh C. McIlhenny.

SEN. M'PHERSON OFFERS PLAN ON CONSTITUTION

A legislative research agency would be given the task of deciding whether Pennsylvania should write a new constitution under terms of a Senate resolution submitted at Harrisburg Monday by Adams county's senator, Donald P. McPherson, who is chairman of the committee on constitutional changes and federal relations.

The resolution would turn the problem over to the Joint State Government Commission which would make a study and report its findings to the General Assembly.

McPherson said the commission could study all proposals made thus far for a new constitution and "combine the best features." The Senate already has before it an administration bill calling for a constitutional convention.

Proposes Referendum

At the same time, McPherson introduced a bill calling for a vote by the people on whether a convention should be called to frame a new constitution. The bill asks that the referendum be staged at the time of the 1951 municipal elections.

McPherson's bill is in direct contrast to the administration bill, to hold a constitutional convention. The latter omits altogether the question of a referendum prior to the convention.

Previous attempts to rewrite the constitution usually were preceded by a vote by the people on whether they wanted the job done. In 1891, 1921, 1924 and 1935 the voters turned down the project.

Would Convene in 1952

Although the administration bill, introduced by Sen. John M. Walker (R.-Allegheny), does not call for a referendum on the convention issue, it could be amended in committee to allow for this.

The Walker bill would provide for election this fall of three delegates from each of 33 Congressional districts and 15 delegates elected on a statewide basis to compose a constitutional convention.

The convention would meet in Harrisburg the first Monday of January, 1952, and would conclude its work by September.

"The proposed changes in the constitution would go to the voters in the 1952 general election and if approved, the new constitution would become effective on January 1, 1953.

LEGION FORMS C-D COMMITTEE

Organization of a committee to work with borough and county civil defense heads was effected by the Albert J. Lentz post of the American Legion at its meeting Monday night in the post home on Baltimore street.

Commander G. Noel Flynn appointed Paul B. Fox, Glenn L. Minter, William G. Weaver, William McCrorie and C. Arthur Brame, Sr., as a committee to meet with Civil Defense officials to determine what responsibilities the Legion will be asked to take, and to arrange for Legion participation in the defense program.

A request was received from state Legion headquarters urging re-establishment of the Sons of the American Legion, a unit of which was formed here some time back and then later disbanded. No action was taken on the matter, with officers of the post seeking to determine the interest of the membership in the matter.

Six veterans were received into membership including Frederick C. Leshier, 59 York street; Dale L. Carter, Gettysburg R. 5; Fred G. Weisner, Jr., Carlisle street; Fred H. Taylor, Biglerville R. 1; Edward Sanders, McSherrystown and Ivan W. Weaver, Taneytown.

Forty-seven attended the meeting at which a donation to the Red Cross was voted.

Three Officers Are Called For Physicals

Three Gettysburg officers, members of the Air Force reserves, have been ordered to report to the Mid-dietown air depot, March 26 for physical examinations and processing. Those called are:

Lt. Col. Raymond Wisler, Steinwehr avenue, Captain Clyde H. Cole, Ridge avenue, college wrestling coach and freshman football coach, and Lt. Robert McCoy, Water street.

BAILED FOR COURT

Elmer Foust, 37, of Carlisle, who pleaded guilty Monday morning to a charge of drunken driving and was held for sentence court by Justice of the Peace John H. Basehore, furnished \$500 bail Monday night, and was released from the Adams county jail. Foust was arrested Saturday afternoon by state police of the Gettysburg substitution.

Congrats To ATO

Ithaca, N. Y., March 6 (P)—Here's a new twist in fraternity initiations.

The Alpha Tau Omega at Cornell university is having pledges repair the homes of two needy families.

Chapter President James Ackerman said:

"We thought it was time for us to think about something constructive as an initiation instead of wasting it on pranks."

The Ithaca Welfare department provided the names of the two families and the fraternity put up \$50 for materials. The job will be completed this week-end.

CIVILIZATION DOOMS HEALTH, LIONS ARE TOLD

Gettysburg Lions were told Monday evening by a Boston nutritionist, B. E. Irons, that their chances of reaching 70 years of age "are not nearly as good as they were 50 years ago" and blamed all of mankind's physical ailments "on the way we refine and process our foods."

"Civilization is destroying our health by de-mineralizing and de-vitalizing our foods," Mr. Irons said. "The sickness bill in the United States is 35 billion dollars annually and is due in great part to our diet."

Explaining that persons now over 35 have much less chance of reaching 70 years of age than their parents did, Mr. Irons said recent actuarial tables showing an increase in the average life span are explained by the fact that infant mortality has been greatly reduced. "Our artificial diet of 'dead' foods catches up with us by middle age."

White sugar, which he said has had all the minerals and vitamin values refined out of it, "is the most deadly poison we eat." He described as "dead foods" everything made out of white flour that has had 16 vital elements removed from it. Cooking and canning processes "kill" foods by driving off life-giving minerals and vitamins, he said and then spoke of the mineral depletion of soils as another threat to health in the United States and pointed to statistics on the incidence of tuberculosis and other ailments in "farmed out" areas.

He was introduced by T. D. Hay of the Lions club. President Radford Lippy presided with 106 members and guests in attendance.

Show Manager Donald Ullrich announced that the reserved seat chart for the charity fund benefit show, "Now and Then," to be given April 9, 10 and 11 at the high school will open at the Shetter House March 17 and will remain there until the time of the show, tickets for the show are on sale by members of the club.

Meetings of ticket, education and finance committees were held after the general club session.

CHURCH PLANS PUBLIC PARTY

Plans to hold a public party to raise funds for new curtains for the stage in the parish house were outlined Monday evening at a meeting of the Ladies' Aid society of Grace Lutheran church, Two Taverns. The anniversary program and party will be held sometime after Easter the group decided.

Following the business session a program of singing and readings was presented. Mrs. Mervin Weikert was the accompanist. Mrs. James Strevig and Mrs. Percy Grove presented a vocal duet and Mrs. Fred Newman read "The Little Things In Life." Mrs. Merle Rudisill presented a monologue and Mrs. Pauline Hershey, costumed as St. Patrick, welcomed the guests.

A birthday celebration was held for six members whose birthdays occur in March, with each responding by reciting a nursery rhyme. Mrs. Grove was chairman of the program and refreshment committee for the event. Mrs. Roy Foulk will be chairman for the April meeting.

Chester Shriver In Commissioner Race

Chester A. Shriver, Gettysburg R. 1, announced his candidacy for the Republican nomination for Adams county commissioner at the forthcoming primary.

Mr. Shriver, a Cumberland township road supervisor for 12 years and completing 10 years as a township committeeman, has been a farmer all his life. He campaigned for the same office eight years ago.

Marines Plod Through Snow In Drive For Key Red City

Tokyo, March 6 (P)—Parka-clad American Marines attacking over new fallen snow drove slowly ahead today in central Korea. The Chinese Reds resisted bitterly.

The Leathernecks were pushing toward the key communications hub of Hongchon, 15 miles north of recaptured Hoengsong. Some of the Marine elements were 11 miles from Hongchon.

The Chinese Reds are believed to have concentrated their largest frontline forces at Hongchon. General MacArthur said another big Red force—the Chinese Third Field army—is moving toward the front from northeast Korea to support the Communist Fourth Field army.

MacArthur's report was the first indication of a large shift by the Third Field army. He said it was comprised of several army corps, possibly up to 90,000 men.

Does Not Fear Assault

Despite losses of an estimated 22-250 troops since the United Nations resumed its limited offensive, February 21, the Chinese and North Koreans are believed to number 300,000 below Parallel 38 in South Korea.

Lt. Gen. Matthew B. Ridgway, commander of Allied ground forces in Korea, told a news conference the Reds have plenty of men to launch a big counter-offensive.

But he expressed belief such an attack is not imminent. Ridgway added that his forces "at the moment" could stop a Red offensive.

On the battlefield, a six-inch snow fall slowed the determined Allied push Tuesday through the craggy mountains and rice-paddied valleys across the peninsula east of Seoul.

The snowfall limited ground action in most sectors. Allied fighter planes were grounded.

Units of the First Marine division took Hill 336, three miles northeast of Hoengsong, Tuesday after four elements punched to points four miles north and northwest of the rubbled town of Dugout.

Use Long Dugouts

The Reds pumped artillery, mortar and machinegun fire into the Leathernecks Monday but fell back. Air spotters reported an estimated three Chinese battalions directly ahead of the Marines, from five to six miles north and northwest of Hoengsong.

On the east-central front, Korean Reds fought bitterly from log bunker dugouts on rugged ridges near Taemi, a mountain stronghold from which they were routed Monday.

Taemi is 10 miles northwest of Pungnim, eastern road junction of one of the main east-west highways running to Hoengsong and Seoul. The Reds' new positions were under assault by the U. S. Second and Seventh divisions.

A combination American-French ground, artillery and aerial assault chased the Reds out of Taemi. But air reconnaissance Tuesday showed 1,500 Reds were moving into the area from the northeast to reinforce 3,000 to 5,000 North Koreans already there.

MINISTERIUM PLANS DVBS FOR NEXT JUNE

Plans were discussed for the Daily Vacation Bible school at the bi-monthly meeting of the Littlestown Ministerium Monday morning at St. Paul's Lutheran church. Bible school is sponsored annually by the Ministerium and will be held in June. The Rev. Frank E. Reynolds, pastor of Redeemer's Evangelical and Reformed church, was appointed Bible school dean. All those wishing to assist with the school are to contact him.

The Rev. Mr. Reynolds, ministerium president, presided over the Monday morning meeting. The opening devotions were in charge of the Rev. David S. Kammerer, pastor of St. Paul's church. The Rev. Arthur E. Leeming, superintendent of the Hoffman orphanage, Littlestown R. 1, and the Rev. Oscar E. Freeman, pastor of the Grace Lutheran church, near Gettysburg, will participate in the Good Friday three-hour devotions along with the members of the Littlestown Ministerium. The devotions will be held at Centenary Methodist church, beginning at 12 o'clock noon and will be based on the seven last words of Christ from the cross.

The Littlestown Ministerium will conduct the morning devotions over radio station WHVR, Hanover, during a week in May. The Rev. Mr. Kammerer was appointed to assign the dates and ministers in charge of the devotions on each day. The meeting closed with prayer offered by the Rev. G. Howard Koons, pastor of Christ Evangelical and Reformed church. The next meeting of the Ministerium will be held Monday, May 7, at 10 a.m. at St. Paul's church.

C. E. Groups Meet
"Who Masters You?" was the topic of discussion at the weekly meeting of the Christian Endeavor society of St. John's Lutheran church on Sunday evening at the church. The meeting opened with a song service. The scripture was read by Brenda Hess, followed by prayer offered by the leader, Evelyn Harget. A poem, "Walking with Jesus," was read by Alvina Groff. The topic was discussed by the group under the leadership of Evelyn Harget. Margaret Myers will be the leader for the meeting next Sunday evening at 6 o'clock at the church.

Fifty-two were present at the weekly meeting of the Christian Endeavor society of Christ Evangelical and Reformed church Sunday evening at the church. The meeting opened with the group singing hymns with Glenn Unger as chorister and Fred Warner as piano accompanist. A poem was read by Phyllis Markle. The scripture was read by Harold Shoemaker followed with the offertory solo played on the accordion by Theodore Bair. The group then sang, "The Way of the Cross Leads Home." Prayer was offered by Richard Berwager. Glenn Unger, leader, introduced the speaker, the pastor, the Rev. G. Howard Koons, who discussed the topic, "Who Masters You?"

The business session was in charge of the vice president, Ruth Grove. It was decided to reorder Christian Endeavor quarterlies for the group. The following report was presented by the nominating committee composed of Harold Shoemaker, Lewis E. Bair, Richard Berwager, Ralph I. Unger and the Rev. Mr. Koons: President, Mervin K. Myers, vice president, Richard J. Berwager; secretary, Mrs. Ruth Grove; assistant secretary, Miss Pearl M. Sell; treasurer, Miss Janet A. Gerrick; pianist, Fred Warner; assistant pianists, Miss Lucille Shoemaker and Miss Shirley M. Dutterer; chorister, Glenn Unger; assistant chorister, Charles Grove, and adult counselor, the Rev. Mr. Koons. Miss Janet A. Gerrick will be the leader next Sunday evening at 7 o'clock at the church. The topic will be "You Can—But Will You?"

LOCAL COUPLE HURT IN CRASH

Two residents of Gettysburg were injured shortly before noon today when their automobile was struck at the intersection of Lincolnway West and Reynolds avenue, on the battlefield, by a Hagerstown automobile.

State police said that an automobile operated by Harry Sterner, 78, of 205 North Stratton street, was traveling south on Reynolds avenue and drove into the intersection where it was struck by a car operated by Minnie M. Compton, 38, colored, of Hagerstown, which was proceeding west on Route 30.

Sterner and his wife, Cora, 68, were taken to the Warner hospital in the ambulance. Hospital officials said Sterner suffered cerebral concussion, contusions of the head and lacerations of both ears. His wife was treated for a laceration of the forehead and contusion of the right leg.

The Hagerstown woman and two passengers in her car were not injured. Police said both cars drove off the highway, the Sterner car striking a fence. Damage to it was estimated at \$200 and to the Compton car at \$150.

East Berlin high school's basketball team defeated York Springs 39-36 to gain the Shaughnessy playoff title of the Adams County league in the title game played Monday evening on the Biglerville high school floor.

Coach Jack Miller's outfit had previously won the regular season title in playoffs after a three-way deadlock with York Springs and New Oxford. East Berlin won its last county title in 1946.

In Monday night's scrap East Berlin got off to a great start and piled up a 21-10 lead in the first half. However, York Springs was not to be denied and came back strong in the last two periods to deadlock the count at 36-36 with about a minute of play remaining. Wayne Lau came through with a goal and foul to clinch the game for the Indians. Wayne Mummert, topped the winner with 12 tallies and was closely followed by Jim Shetter with 11. Top man for York Springs was Charley Wishard with 13.

In the consolation game Boiling Springs led all the way to defeat New Oxford 43-29.

Dromgold, star Bubbler center, poured 22 points through to pace the victors. Fridinger, Mummert and B. Miller led the New Oxford offense.

MOUNT CAGERS WILL PLAY IN NCIB TOURNEY

Albany, N. Y., March 6 (AP)—Two more colleges accepted bids today to the National Catholic Invitation basketball tournament.

They are Mt. St. Mary's of Emmitsburg, Md., champion of the Mason-Dixon conference, and Spring Hill of Mobile, Ala., winner of Gulf States conference.

This left only one berth open in the 12-team tourney here March 13-17.

Le Moyne of Syracuse accepted a bid yesterday.

Mt. St. Mary's has won 19 games and lost 10. Spring Hill has a 19-6 record. Le Moyne has won 14 and lost seven.

Other entries are the defending champion, Siena; Loras, Seattle, St. Francis of Brooklyn, St. Francis of Loretto, Pa., Iona, St. Michael's and Mt. St. Mary's of Minnesota.

KENTUCKY GETS TOP RANKING IN CAGE POLL

New York, March 6 (AP)—The University of Kentucky Wildcats won No. 1 rating today as the nation's best college basketball team for 1951 in the final weekly Associated Press poll. But, it was only by the skin of their teeth—a bare 26-point margin over Oklahoma A & M.

It was the second No. 1 ranking for the AP basketball poll of sports-writers and sportscasters. Kentucky, the top team of 1949, rated third a year ago when Bradley captured the lofty honor.

However, Oklahoma A & M, which suffered a stunning setback last night at the hands of Detroit, 62-52, actually received 10 more first place votes than Kentucky.

This upset matched the Kentucky debacle of Saturday, when underdog Vanderbilt clipped the Wildcats, 61-57, in the Southeastern conference tournament finals. Voting in the poll was completed yesterday before the Oklahoma A & M-Detroit game.

Have NCAA Berth

Kentucky, which has clinched a berth in the NCAA tournament, has been voted the nation's top team for the last seven weeks. Oklahoma A & M must beat Houston tomorrow to clinch the Missouri Valley title and a NCAA berth. The Aggies (26-3) end the regular season against Kansas in a non-conference tilt Saturday. Kentucky (27-2) has ended its regular season.

With 185 ballots cast in this 12th and last poll, Kentucky got 45 for first place, compared with 55 for the Oklahoma Aggies. Kentucky edged home first, however, because of receiving a heavier vote for the No. 2 spot.

The poll showed only a slight change from last week. Two teams traded places, all the others remained put. Bradley, (28-4) in the No. 5 spot last week, dropped to No. 6. Illinois, (19-3) which clinched the Big Ten title last night by beating Michigan State, 49-43, advanced from sixth to fifth.

Columbia Third

The other teams held firm, with Columbia, the nation's only unbeaten outfit (21-0), in third, Kansas State (21-3), Big Seven champs, No. 4; Indiana (19-3), No. 7; North Carolina State (28-4), Southern Conference kingpin, No. 8; St. John's of Brooklyn (22-3), No. 9; and St. Louis (21-7), No. 10.

Kentucky has declined to play in the National Invitation tournament at Madison Square Garden beginning Saturday. The Wildcats will meet an "at large" team not yet selected in the NCAA first round at Raleigh, N. C., March 20. If victorious there, Kentucky will travel to New York for the Eastern semi-finals March 22 and 24.

Oklahoma A & M can have the one open place left in the 12-team N. I. T. tournament if it desires. The decision is expected soon.

Sweep Adams County Basketball Honors

Pictured above are the members of the East Berlin high school basketball squad who added the Shaughnessy playoff title to the regular league season championship of the Adams County Scholastic league by nosing out York Springs Monday evening 39-36 at Biglerville. The Indians, a nickname recently adopted by East Berlin, finished in a three-way tie with York Springs and New Oxford during the regular season and capped the title in the playoffs.

During the season East Berlin won 15 games while losing seven and scored 1,068 points to their opponents 869.

Appearing on the picture are: Seated, left to right, Wayne Lau, Jim Shetter, Wayne Mummert, Bernie Groupe, and Don Hinkle; standing, Kenney Geiger, Jack Hoffman, Charley Lucabaugh, Ronnie Hoke, manager, and Coach Jack Miller. Remaining for next season will be Lau, Hinkle, Mummert, Geiger and Hoffman. Coach Miller, who is under contract to the Philadelphia Athletics as a first baseman, is expected to be assigned to the International league this summer.

FIFTY YEARS AGO

Again Inaugurated: Dark and lowering clouds hung over the capitol city of the nation on March 4th, when William McKinley was inaugurated for the second time. Rain began to fall before the president took the oath of office and continued at intervals all afternoon.

On the platform the Supreme Court Justices in their gowns, the diplomats in their gold and lace and feathers, and members of Congress in their high silk hats stood stolidly in the shower. As the President, accompanied by the Executive committee took their places in the stand, the shower suddenly ceased.

Immediately after the oath was administered by Clerk McKenney, of the Supreme Court, the President began reading the inaugural address. It was marked by Mr. McKinley's characteristic moderation, elevation and restraint of expression. The address was interesting, suggestive, informing and broad.

Prominent figures in the parade: The President as he drove down the line, bowed right and left to the cheering multitude. Vice President Roosevelt received as great an ovation and showed his teeth in a pleasant smile, just as the comic papers picture him. But greatest of all was the ovation given General Joe Wheeler. Admiral Dewey and General Miles riding on the same seat, came in for their share of the popular enthusiasm. Governor Stone, of Pennsylvania, rode a magnificent horse and was cheered by the people along the line as were also the governors of half a dozen other states.

Town Council Organizes: The newly elected members of the Town Council were sworn in on Monday and Tuesday evening the county was organized for the ensuing year. The council organized by electing the following officers:

Edw. M. Wolf was chosen temporary chairman and Jacob A. Patterson was elected president of council; secretary, Mr. Wisotzkey; treasurer, Harry Oyler; attorney, C. S. Duncan; street and road commissioner, John Bailey; police, Joseph Haines; janitor, Joseph Carver; surveyor, Oscar D. McMillan; fire marshal, Charles E. Sheads.

The following committees were appointed: Highway: Wisotzkey, Twomey and Spangler; finance: Oyler, Bushman and Tudor; light: Kauffman, Bushman and Twomey; property: Twomey, Kauffman and Wolf; building: Twomey, Oyler and Spangler; ordinance, Wisotzkey, Oyler and Tudor.

Local Miscellany: John M. Warner has bought the Geo. Weaver property on Baltimore street.

John D. Lippy is building a stable on the rear of his lot.

It will be many a day before dividends are declared on a trolley railroad running from Chambersburg to Gettysburg—Hanover Herald.

On Monday, Adams Erter, of this place, bought from Lewis Mizell, one thousand acres of pulp wood at Sidling Hill, Washington county, Md. The wood will be used by P. H. Glatfelter, of the Spring Grove paper mills, in the manufacture of paper.

On Monday evening the Gettysburg Gas company elected the following officers: President, J. W. Diehl; directors, Dr. H. B. Nixon, Dr. P. M. Bickle, L. M. Buehler, J. M. Walter, Geo. J. Benner and John B. McPherson.

Last Saturday J. L. Butt, Esq., bought the Elizabeth Culp farm in Cumberland township, for \$1875 and sold it to H. Amos Delap, of this place.

Rev. L. C. Smiley, who has been appointed pastor of the U. B. church, in this place, will preach his first sermon here next Sunday evening.

Hon. W. T. Ziegler was last week appointed by the national commander of the Union Veteran Legion of the U.S., chairman of the transportation committee, whose duty it is to make arrangements with all railroads for excursion rates to Gettysburg, for the encampment to be held here next October.

Today's Talk

By GEORGE MATTHEW ADAMS

A GLOBE AND ATLAS

There is something inspiring about a beautiful globe of the earth. It visualizes the ball upon which we live as nothing else could. Time and time again I turn mine around and read as I do a book, with interest and wonder. And to think that this great earth keeps moving all the time in space, held there by a created force—well, it's miraculous!

There should be a globe in every schoolroom and in every home, especially where there are children. Next in importance to the globe are the maps that go with it, detailed and with the seepings of history moistening every page. People must feel very queer who know nothing about the formation of the earth and the location of its many countries. I have a picture in my mind of every spot of importance in all this world. I have often wondered if it resembled at all the picture that others hold, hidden away.

It took many centuries before we finally got down to the form and picture of the globe as now completed. Of course there are changes going on in its divisions, but the outline of the globe itself remains the same. What a fascinating study it is! And endless are the maps that detail the many countries. Nations, cities, rivers, lakes—oceans. They are all there.

Doubly interesting is every story of news in our daily newspaper when we are well informed as to the Earth and locality where things happen. Before this tragic Korean war started, how many had any idea of where Korea was located, or how large, how many people it had, and what sort of country it was? A good globe would have explained all this, together with a good atlas. You do a great deal of thinking as you finger your globe and contrast space and territory all pictured out before your eyes.

Korea, for example, looks very insignificant in its place on the globe, but I believe it stood thirteenth in population of all the nations of the earth before the present war. Space and size tell a big story when pictured. Great wars can start in a very small space!

Tomorrow Mr. Adams will talk on the subject: "Your Stomach."

PEACE OF MIND

That peace of mind which mortals seek.

In simple things must lie.
It's not upon the mountain peak
Or stuff which coin can buy.

It's not assured by wealth or fame,
Nor for the strongest meant,
For some who've won the world's acclaim
Have suffered discontent.

It comes from little gardens gay
With blossoms, spring to fall;
In tasks well done from day to day
And friends who come to call.

It's in the humble home where love
Keeps all things neat and trim;
In steadfast faith in God above
And trusting all to Him.

STARNER RITES ON WEDNESDAY

The funeral of Mrs. Bertha A. Starner, Emmitsburg R. 2, will be held Wednesday, meeting at the Allison funeral home 2 p.m., and services in Elias Evangelical Lutheran church, Rev. Philip Bower, officiating at 2:30 p.m. Burial will be in the Keysville cemetery. In addition to the immediate family, the deceased is survived by two brothers, Daniel Shorb and William Shorb, both of Fairfield R. 2.

Garry Troxell, USN, Philadelphia, son of Mr. and Mrs. Harry Troxell, visited his parents over the weekend.

Mr. and Mrs. Raymond Baumgardner and John Baumgardner, of Emmitsburg R. 2, and Mr. and Mrs. Donald Boone, of Taneytown, along with 70 other Farm Bureau members and friends made the trip to New York City Friday through Sunday. The tour left Baltimore for New York City by way of the B. & O. Friday and returned Sunday. The tour party attended a number of radio and television shows and took a tour of the city and dined at prominent places.

progress in agriculture in the county during the past year.

Use Hybrid Corn

"There has been a much greater use of hybrid corn. One York Springs area farmer produced 137 and a fraction bushels of shelled corn per acre last year and was within a fraction of producing the highest yield in the state. More than 400 farmers in the county, owning 25 per cent of the dairy cattle, are breeding their animals through the artificial insemination cooperative.

"Vegetable crop production is highly specialized in the county, and our fruit industry is justly known throughout the state. Farmers in the county have been, on an ever larger scale, improving their pastures and there is general improvement to be noted on farms throughout the county. The best proof of that is that while the number of farms has declined and the farm

population has dropped, production has steadily increased."

Insurance Increases

J. B. Collins, manager of the Farm Bureau Insurance reported a gain of 1,520 policies—fire, auto, life and health—bringing the total number of county policy holders to 7,720.

INVALID BEARS CHILD

Tulsa, Okla., March 6 (AP)—A 28-year-old polio patient left an iron lung Sunday for the first time since Nov. 3 to give birth to a seven-pound daughter. Physicians delivered the baby of Mrs. P. T. Sowden, Jr., by Caesarian section in her 40-minute

leave from the lung. She and her husband, a chemical engineer, also have a son, David, 2.

The first patent on FM type of radio transmission was issued in 1902, but this method as a means of broadcasting did not come into general use until later.

CANADA FINES MAYOR

Port Arthur, Ont. (AP)—Mayor F. O. Robinson was one of 20 householders

who forfeited fines and court costs of \$10.50 each for failing to produce their radio licenses when inspectors made a check.

BEST- by a long shot!

Yes, YOUR BEST BUY IN COOKING is an AUTOMATIC GAS RANGE

Features no other automatic range has!

Just-right heat! Scald milk without boiling, and without boiling over! Make white sauce without scorching! Pressure-cook at exact pressures! That's cooking with GAS! No compromise—no "one's-too-high, one's-too-low" problems. You get the exact heat you want!

Gas burners last the life of the range! Replace a GAS burner? No never! Non-clog, lifetime burners just don't wear out. Think of the savings over the years!

An oven that breathes! A real fresh-air fiend! The GAS-burning, air-circulated oven heats new supplies of fresh air all the time it's on. No stale, reheated air!

Unequaled performance—with GAS!

Fast starting! Put a spot of shortening in a skillet and turn on the GAS. See how fast it melts. Heat!—not minutes, not seconds later—but right away!

Quick pick-up! Flexible. From simmer to boil in a jiffy—faster than any other fuel. Works the other way, too!

Instant Heat Shut-off! Yank a boil-over off the stove? No. Just turn off the GAS. Food stops cook-

ing at once. No over-cooking with left-over heat. No under-cooking by relying on left-over heat.

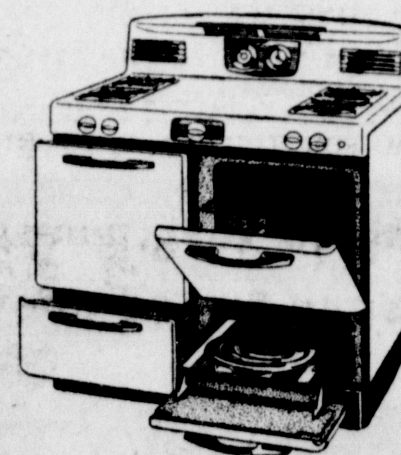

Look-alike cakes and pastries! No "pale-face" on one shelf, "sun-burned brunette" on another. Things brown evenly. No "spots."

Smokeless flame broiling! Treat your guests to meat—not smoke! The GAS flame eats up the smoke. Broil with the door closed, always.

GAS—economical now... later... ALWAYS!

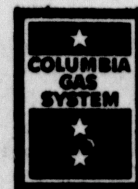

Pocket-book holiday! Automatic GAS ranges are more reasonably priced. They have longer life with less maintenance, lower cooking-fuel bills.

Besides all these exclusives, Automatic GAS Ranges have many other attractive features, including beautiful styling, choice of burner arrangement, automatic oven cooking, clean cool cooking, and many other conveniences.

See the beautiful Gas Range models now at your Dealer's or Gas Company Office.
